We suggest you these trails from LIMONETTO along the border:

Four days / three nights

From Limone Piemonte railway station you can walk up to Tetto San Lorenzo in less than 2 hours or use the public bus service to Limonetto (ask for schedule) and then walk for about 40 minutes.

Overnight in ARRUCADOR mountain lodge.

Long excursion along the italian-french border; you will see the ancient forts of Colle di Tenda, built by the Italian Kingdom around 1860/1880 and, following one of the longest military road in the Alps, the trail will lead you to Colla dei Signori, across a dry region called 'Conca delle Carsene', a speleological site (7 hours).

Overnight in RIFUGIO DON BARBERA mountain hut.

Third day dedicated (in case of good weather conditions) to climb Punta Marguareis (2651 m), the highest peak in the Ligurian Alps. (3 hours to go and return from the lodge).

Fantastic view from the Alps to the sea (on clear days you can see Corsica).

Overnight in RIFUGIO DON BARBERA mountain hut.

Fourth day: a complete different landscape, a nice excursion through the upper Roya Valley to reach La Brigue or Tende and the railway station (4/5 hours).

Five days / four nights (MARGUAREIS TOUR)

From Limone Piemonte railway station you can walk up to Tetto San Lorenzo in less than 2 hours or use the public bus service to Limonetto (ask for schedule) and then walk for about 40 minutes.

Overnight in ARRUCADOR mountain lodge.
